3 Months Visiting Fellowship 2019 at BSE Institute Limited, Mumbai

## About BSE Institute Ltd.

BSE Institute is a leading financial education provider in India. It has carved out a unique position for itself among financial educational Institutions and B-schools across the country. BSE Institute's courses are exclusively designed to address the emerging global business and social challenges. With its niche courses, eclectic syllabus and regularly upgraded curriculum, BSE Institute focuses on career-oriented growth and offers versatility in today's dynamic business environment. Known for its strong connections with the BFSI industry, the institute is a preferred recruitment destination for renowned firms.

Masters in Global Financial Market, Masters in Financial Technology, Post Graduate Program in Banking and Finance, and Global Financial Markets Professional Programs, Certificate in Islamic Banking and Finance are some of the prominent courses offered at BSE Institute. These programs not only emphasize conceptual learning but also help prepare professionals for the highly competitive environment through experiential training.

## About the Fellowship

BSE Institute is inviting application for 3 month Visiting Fellowship from Indian academics with deep interest in Indian capital market.

## Who is Eligible?

- Applicants must be Indian nationals.
- Applicants must have completed a PhD and must be working in the field of capital market.
- Applicants must be in the early to middle stage of their academic careers.

## The 3-month visiting Fellowship is intended to

- Contribute actively to the BSE Institute's research projects.
- Provide academics and research students with the opportunity of direct exposure to the working of the Indian capital market.
- Develop and promote links between academics and Indian capital market professionals; and offer Indian academics the opportunity to collaborate in joint research with BSE Institute Ltd.

## Visitor Contribution

Visiting Fellow would be expected to engage in the BSE Institute's academic activities. They may also be asked to contribute to one or more of the following activities of the Institute:

- Engage in guest lectures offered by the Institute
- Write working paper(s)
- Collaborate on a research project with member or affiliate of the Institute
- Develop research proposal to apply for external funding
- Contribute to the Institute's network of contacts (academic, practitioner, policy-makers and/or media).

## **Fellowship Provision**

The Fellow shall be provided:

- BSE Institute's ID Card.
- Workspace in the Institute (including computer and printing/photocopy facilities).
- An honorarium of Rs. 45,000 towards a living grant at the monthly rate of Rs. 15000. The candidate must make his/her own travel arrangements. Please note that it is the responsibility of the successful candidate to arrange accommodation within the limit of the budget.

## **Role of the BSE Institute Ltd.**

BSE Institute will help the Fellow become integrated into the work of the Institute and get the most from his/her stay. The Institute will provide the opportunity of co-authoring publications, organising and participating in events and developing contacts and networks.

## **Reporting and Feedback**

Applicant are required to provide the Institute with a short biography and a statement of what they intend to do during their Fellowship period.

At the end of his/her stay the Fellow will be required to submit an activity report on their progress and outputs and how they have contributed to the Institute's research activities during their stay. The report should be completed within 1 month of the completion date and may be published by the BSE Institute as deemed suitable.

## **Application Procedure**

Closing date for applications: Friday, November 30, 2018. A complete application will comprise:

- A description of your Proposed Research including an explanation of why BSE Institute in particular is an appropriate venue for you to pursue this research.
- Two letters of recommendation.

All material must be submitted electronically and sent to: [shariq.nisar@bseindia.com](mailto:shariq.nisar@bseindia.com)

The Institute may wish to organize a personal interaction before finalizing the candidate. Final decision will be conveyed to the selected candidate via email.

## **Criteria**

The Fellowship will be granted on the basis of academic merit, research potential and BSE Institute's own interest area. BSE Institute reserves the right not to make an award in the event that no suitable candidate is found. BSE Institute's decision will be final in this regard.
