Our Vision

Our vision is to become the globally acclaimed learning provider for financial and leadership education, by pioneering the generation and dissemination of knowledge for the enhancement of skills and capabilities of professionals and aspiring professionals.

Our Mission

As a center of learning, our mission is to forge an inclusive learning haven, uniting diverse perspectives to cultivate impactful leaders and entrepreneurs who drive positive change in organizations and communities through innovation.

University of Mumbai

University of Mumbai - Garware Institute of Career Education and Development (GICED)

The University of Mumbai (known earlier as University of Bombay) is one of the oldest and premier Universities in India. It was established in 1857 consequent upon "Wood's Education Dispatch", and it is one amongst the first three Universities in India. As a sequel to the change in the name of the city from Bombay to Mumbai, the name of the University has been changed from "University of Bombay" to "University of Mumbai", vide notification issued by the Government of Maharashtra and published in the Government Gazette dated 4th September, 1996. The University was accorded 5 star status in 2001 & 'A' grade status in April 2012 by the National Assessment and Accreditation Council (NAAC). It has been granted University with Potential for Excellence (UPE) status by UGC and PURSE Scheme by DST.

Garware Institute of Career Education and Development (GICED) is a Private Institute located in Mumbai, Maharashtra and was established in the year 1984. GICED was founded by Late Balchandra Digamber alias Abasaheb Garware. The Institute is affiliated to University of Mumbai and accredited with 'Grade A' by NAAC. GICED offers Undergraduate, Postgraduate and Diploma courses in multiple fields of study.

MESSAGE

FROM MD & CEO

Mr. V. Narayanan Iyer

Managing Director & CEO
BSE Institute Limited

Dear Students,

Welcome to BSE Institute, Ltd. as the field of predictive analytics is continuously evolving, our vision encompasses the overall development of the professionals who will become the future torchbearers of the data analytics industry. We are committed to facilitating and enabling a truly exciting and stimulating lifelong learning environment, as we aim to pave the way for the next generation of expert data analysts.

Our program is meticulously crafted to offer you a comprehensive understanding of the dynamic and ever-changing realm of big data. Given the pivotal role data analytics plays in today's interconnected world, it is essential to equip yourself with the knowledge and skills required to discover the complexities of this crucial industry.

At BSE Institute Ltd., we embrace a holistic approach to education. Our curriculum not only covers the fundamental aspects of predictive analytics but also integrates interdisciplinary elements such as data management, statistics using python, machine learning, and business data analytics. We are committed to delivering a well-rounded education that extends beyond theoretical concepts, preparing you for the practical challenges of the predictive analytics landscape.

Our esteemed faculty members, with their wealth of industry experience, are dedicated to providing you with insights that stem from real-world scenarios. Their expertise will enrich your learning journey, ensuring that you graduate as a proficient and confident data analysis professional.

As you embark on this transformative journey, remember that learning extends beyond the classroom. Embrace the opportunities for real-world experiences, and you will find that our program is not just about education; it's about preparing you for a successful and fulfilling career in predictive analytics.

ABOUT

POST GRADUATE DIPLOMA IN PREDICTIVE ANALYTICS

Degree Awarded By Mumbai University

The Post Graduate Diploma in Predictive Analytics (PGDPA) offered by BSE Institute Ltd. is a comprehensive one-year program designed to provide an in-depth exploration of various aspects within the dynamic field of predictive analytics. Acknowledging the increasing importance of data-driven decision-making, this program plays a pivotal role in contributing to both direct and indirect advancements in the global economy.

Beyond offering a thorough understanding of predictive analytics, the PGDPA encompasses a diverse range of disciplines such as statistical modeling, machine learning, data mining, and business analytics. It aims to equip students with the knowledge and skills necessary to navigate the evolving landscape of data analysis. The curriculum covers essential topics including data visualization, time series modeling techniques, and the practical applications of analytics in diverse industries.

Leveraging a combination of theoretical knowledge and practical applications, the PGDPA is delivered by highly experienced faculty members who bring real-world insights to the classroom. Students will gain hands-on experience and exposure to industry-relevant tools and technologies, ensuring they are well-prepared for the challenges and opportunities presented by the rapidly evolving field of predictive analytics.

PROGRAMS HIGHLIGHTS

Simulation Based Training*

Simulation exercises are valuable for training participants in core data science operations by creating realistic scenarios. They allow for the practical application of theory, enhancing understanding and skill development.

Industry Internship*

Industry internships are crucial for gaining hands-on experience and applying academic knowledge. They enhance resumes and provide a head start to meritorious students before entering their careers.

Career Guidance

Career exploration can be confusing, but guidance from industry specialists and career counselors can provide valuable insights and help you navigate various career opportunities. Their experiences and knowledge can assist you in making informed decisions about your career path.

300+ World Class Practitioners

Our trainers and coaches are experts in their fields of study, with intensive knowledge and industry experience that guide their teaching methodologies.

Iconic Campus

Iconic building and a place to meet merchant, bankers regulators, and market gurus to expand your network.

Industry Visits*

Industry visits provide students with valuable answers to their inquisitive questions regarding the data science sector. These visits are planned to generate curiosity and have exposure to the various industries for when they start working as professionals.

* As applicable

WHY POST GRADUATE DIPLOMA IN PREDICTIVE ANALYTICS

Degree Awarded By Mumbai University

Opting for a career in Predictive Analytics is a strategic choice for individuals looking to propel their professional journeys and gain early exposure to the dynamic world of data-driven decision-making. It serves as a crucial step toward comprehending the power of predictive modeling, navigating the intricacies of data analytics, and positioning oneself for abundant opportunities, both domestically and internationally.

Our Postgraduate Diploma in Predictive Analytics (PGDPA) course not only imparts a profound understanding of predictive modeling but also focuses on cultivating students' managerial and technical competencies, ensuring they are well-equipped to tackle the complexities of the data analytics landscape. Embracing innovation and real-world relevance, our PGDPA course prepares students to become dedicated predictive analytics professionals capable of extracting valuable insights from vast datasets in an ever-evolving business environment. This program equips individuals with the skills and knowledge needed to make informed decisions, drive strategic initiatives, and contribute meaningfully to organizations leveraging the power of predictive analytics.

CURRICULUM SUMMARY

POST GRADUATE DIPLOMA IN **PREDICTIVE ANALYTICS**

Degree Awarded By Mumbai University

SEMESTER I

Welcome to the Post Graduate Diploma in Predictive Analytics Program! This semester marks the commencement of your exploration into the ever-evolving and intricate realm of data analytics. Each module is meticulously designed to equip you with a thorough grasp of fundamental concepts and hands-on skills crucial for excelling in the dynamic field of data analytics.

Module Name	Credits
Statistical Computing	4
Applied Business Statistics and Statistics using Python	4
Big Data Analytics	4
Introduction to Data Sciences	2
Introduction to Data Management	4
Research Methodology	4

SEMESTER II

Building on the foundation laid in Semester 1, this semester delves deeper into specialized areas within the predictive analytics industry, providing you with a comprehensive understanding of data visualization, business analysis, machine learning, and more.

Module Name	Credits
Machine Learning	4
Tools and Techniques of Data Visualization and Communication	4
High Performance Computing	4
Time Series Modelling	2
Social Networking and Mining	4
On Job Training	4

Apply your knowledge in a real-world setting through on job training. Gain practical experience and network with industry professionals by enabling skills like problem solving, technical proficiency, and adaptability.

OUR PROMINENT FACULTY MEMBERS

Our faculty pool comprises many of the most reputed practitioners in the industry who have several years of experience and are hence capable of sharing unique insights. They are subject matter experts in their respective fields and facilitate lively discussions, allowing participants to share their insights and experiences with the class.

At BIL, our faculty's inspirational talent in the classroom is as important as their domain knowledge. They help our learners innovate in business practice and cutting-edge thinking and give them an opportunity to both influence and use evolving concepts.

INFRASTRUCTURE

BSE Institute Ltd. is situated in the heart of the financial hub of India, the Bombay Stock Exchange. Being located on such an iconic campus, BSE Institute boasts a state-of-the-art training facility, which provides a holistic learning experience for the students. Additionally, lectures are conducted in and around the premises of the Bombay Stock Exchange, further immersing students in the dynamic environment of India's financial center.

LEARNING

OUTSIDE THE CLASSROOM

Teaching and learning can become spontaneous and student-centered when moved out of the confines of the classroom and into the world at large. Learning experiences outside the classroom are inherently interdisciplinary. Here, at BSE Institute, we provide an experiential learning environment where students feel energized and confident in speaking their minds, ensuring every participant is constantly engaged and continually learning.

STUDENT EVENTS

STOCK TORERO

Imagine yourself getting an opportunity to do real-time trading in the prestigious halls of the Bombay Stock Exchange. BSE Institute makes this a possibility for many youngsters by initiating a one-of-a-kind national-level financial market competition called 'Stock Torero: Tame the Bull', which seeks to cultivate the financial aptitude of aspiring students. The competition effectively renders real trading scenarios in the financial markets, including financial professionals such as brokers, bankers, and a media team that feeds mock news affecting the demand and supply of stocks, thereby giving an experiential front-row feel of competitive trading to the participants. Management students from reputed business schools participate to hone their financial prowess. The excitement and enthusiasm seen amongst the competitors is cosmic, to say the least. The purpose of this tournament is to acclaim financial trading as a specialized skill among young minds.

DALAL STREET LIT FEST

This one-of-a-kind event is a perfect collaboration and celebration of two completely diverse genres: - Finance and Art. Held at the iconic International Convention Hall at the Bombay Stock Exchange, the Dalal Street Lit Fest Exchange 2019 brought together many eminent business leaders, journalists, best-selling authors, storytellers, humanitarians, entertainers, great thinkers, and aspiring artists. With 'Water Conservation' being the theme for this edition, it managed to create awareness about its scarcity and the need for careful management.

A number of intriguing activities, like live sketching, tarot reading, henna art, pottery, food stalls, pop-up shops, and foot spa stalls, seemed to have greatly compelled the audience. Not to mention the splendid band events and enthralling performances that lifted our spirits on this enchanting venture!

True to its tagline, "The Flow of Life: from ideas to convictions to actions, via the diverse themes of Finance and Literature," this event has managed to disseminate motivational and inspirational messages while highlighting the need for water management and regulation.

STUDENT EVENTS

TORQUE

Torque at BSE Institute stands out as a significant and emotionally charged evening, blending happiness and nostalgia. It is the most important day in the life of the BIL students as it marks the culmination of their academic life. The graduates receive their degrees and awards for their achievements and also share their experiences via memorable speeches. During the annual flagship event of the institution, the Alumni Meet is also held to take a walk down the corridors of nostalgia. It is one of the most remarkable evenings that comprise the convocation, cultural show, prize distribution, and reunion.

CONVOCATION

The ceremony includes the felicitation of students with certificates and trophies, marking the celebration of their impactful journey with BIL. The convocation ceremony is followed by a cultural event with stunning performances by the students. This day is a milestone for BIL students, symbolizing the culmination of their academic endeavors. As they receive degrees and awards, they share their experiences through heartfelt speeches. During the annual flagship event of the institution, the Alumni Meet is also held to take a walk down the corridors of nostalgia. It is one of the most remarkable evenings that comprise the convocation, cultural show, prize distribution, and reunion.

STUDENT EVENTS

SPORTS

Discover the perfect blend of academics and excitement at the BSE Institute! As part of our annual BSE Institute Student's Fest week, both our girls and boys showcased their cricket skills, with the event inaugurated by Mr. Ambarish Datta, former MD and CEO of BSE Institute Limited. In addition to cricket, our students hit the turf to engage in some high-quality football. Followed by the sports event, the prize ceremony of sports event winners and participants was honored at the BSE International Convention Hall.

PLACEMENT ASSISTANCE

At BSE Institute, we understand that the ultimate goal of pursuing a Postgraduate Diploma in Predictive Analytics is to transition seamlessly into a rewarding career. As you embark on this educational journey with us, we are committed to providing not just academic excellence but also unwavering support in achieving your career aspirations.

Our Placement Assistance Program is meticulously designed to bridge the gap between education and employment, ensuring that you are well-prepared to enter the dynamic and competitive world of data analytics.

Industry-Relevant Curriculum:

Our curriculum is crafted in collaboration with industry experts to equip you with the skills and knowledge that employers in the data analytics sector are actively seeking.

Networking Opportunities

We provide numerous opportunities for you to connect with industry professionals through workshops, seminars, and networking events. Building these relationships is crucial for opening doors to potential career paths.

Internship Programs

The internship embedded in our program is not just an academic requirement; it's a hands-on experience that allows you to apply theoretical knowledge in a real-world setting. This experience enhances your employability and expands your professional network.

Resume Building and Interview Preparation

Our career guidance team is dedicated to helping you create a compelling resume that showcases your skills and accomplishments. Additionally, we provide comprehensive interview preparation sessions to boost your confidence in facing prospective employers.

Placement Drives

We organize exclusive placement drives, inviting reputed organizations from the data analytics sector to recruit our talented graduates. These events provide you with direct access to potential employers and facilitate on-the-spot interviews.

CORPORATE CONNECT/PARTNERS

SOCIAL INITIATIVES

BSE Institute Ltd. aims to achieve societal goals by engaging in and supporting learning opportunities for students in every demographic. One of our key CSR activities involves conducting workshops on financial literacy and life skills for rural women. These workshops empower them to learn financial concepts that are imperative for effective money management, making them small-time entrepreneurs and helping them apply for loans to fund their small-scale initiatives, which started building their morale by teaching them the benefits of financial independence. Through this initiative, we have trained over 1000 self-employed women in the Shivaganga District of Tamil Nadu. BSE Institute has taken initiative for the sustainable livelihood program, through which we have imparted financial skills to over 100 women who worked as beedi workers and beauticians. In addition to trade skills, each of these women was also trained in financial and micro-entrepreneurship skills.

Signing an MoU with Municipal Corporation of Great Mumbai

School to workplace transition with World Bank

Building content to strengthen financial literacy

Livelihood training program in Jammu & Kashmir

Stock Torero Event

Financial literacy and life skills for rural women

4000+ students trained for employment in BFSI sector

Workshops for school children on financial literacy

BSE Institute at World Skills Abu Dhabi, UAE 2017

Financial Literacy Board Games

Shiksha: Teaching English and Mathematics to government school students

THE GLOBAL CONNECT

BIL has an outstanding track record in conducting highly acclaimed international programs, which have been well received by overseas participants representing regulators, stock exchanges, financial institutions, banks, leading brokerage houses, and other professionals from financial intermediaries. Participation includes representation from a number of regions such as South Asia, Central Asia, Eastern Europe, Middle East and Africa. BIL has an MOU with the Australian Trade Commission, Government of Australia, Canada, Muscat and Singapore.

Some of the programs conducted by BSE Institute Ltd. are:

- Exposure to Indian Financial Markets
- Indian Rural Market Immersion
- BSE International Financial Olympiad
- Capstone Unit at BSE Institute

THE EDGE

BSE INSTITUTE LIMITED

BIL has the distinct advantage of being at the center of action, being located in the financial hub of India, and being one of the world's most rapidly emerging markets. Our commitment to always being at the forefront of competitive, contemporary, and evolving business practices has led to the initiation of programs that reflect the realities of the marketplace.

Furthermore, our course design and development are firmly grounded in knowledge of business processes - in entrepreneurial companies and established firms, unconstrained by the boundaries of academic disciplines.
